Beware of the Scribes! That was Jesus' message to us from [Mark 12:35-40](#). He gave us a list of things they do in order to be seen by men. Wearing things as a reminder of who God is and what He has done for us is fine. However, when we wear them or act in a way that we think pleases God in order to have people glorify us instead of God is where it gets sticky. Let's not just beware of those who act in this way, but beware of becoming like one of them as well.

This week we are looking at one of my favorite passages in the Bible ([Mark 12:41-](#)

44). However, over the past week it has been turned upside down on me. Come

Sunday and I will explain. See you then. ~ Andy B.

For the final week, we'll look closer at [Proverbs 4:23](#) - "Above everything else, guard your heart. Everything you do comes from it." In order to show self-control, you need to fill your heart and minds with what will help you guard your heart. The apostle Paul gives us an idea of what some of those are in [Philippians 4:8](#). We should think about what is noble, right, and pure, lovey and worthy of respect. When we fill our heart with these things, we'll have a better chance of responding with self-control.

Bottom Line: Use God's words to guide your thoughts. If we focus on God's Word, when those frustrating moments come, we'll be able to remember the truth of Scripture to help us show self-control.

With all of the Proverbs we discovered this month, we know that God can help us protect ourselves from the consequences of not demonstrating self-control.

Beware of what falls out of your Bible!

By Andy Bratton, Senior Minister

A little boy opened the big family bible. He was fascinated as he fingered through the old pages. Suddenly, something fell out of the Bible. He picked up the object and looked at it. What he saw was an old leaf that had been pressed in between the pages. "Mama, look what I found", the boy called out. "What have you got there, dear"? With astonishment in the young boy's voice, he answered, "I think it's Adam's underwear!"

There are all kinds of things we can find when we open our Bibles. In particular, what do you find that Christ inspires you to do or be when you open your Bible? Does He inspire you to have compassion? Does He inspire you to pray more? Does He inspire you to know His Word more? I hope all of those things are true.

As a church we want to live Christ Inspired lives. We know God the Father said about Jesus, "This is my son in whom I am well pleased." We, too want to honor and glorify God the Father by living as His son did on earth. He taught with authority, He disciplined others, He had compassion for the people, and He gave all He had in order to save us from our sins. When you open up the pages of your Bible, may God "drop" more out of it onto you than an old leaf or I mean, pair of Adam's underwear. See you Sunday!
