## NEW Sunday Morning Sermon Series!

Sunday we finished up our series, "Wear It," with a sermon that probably should have been the first sermon of the series. Our friend Arcenio from Haiti shared with us the difference between being all in and almost there. If we aren't "all in" are we truly wearing it?

This Sunday we are starting a new 6 week series entitled, "Christ Inspired." I am both excited and terrified about this series. Mostly excited, though, as I am confident God will do some exciting things during this series. Bring a friend and come hang out with us Sunday. ~ Andy B.

## Volunteers of the Week

### TYLER PAULUS!

This week Tyler Paulus is our Volunteer of the Week! Along with juggling an online class this summer, Tyler has volunteered to help with VBS this week. Tyler is around the church a lot and is always there to lend a hand when I need help. He helped move things and set up for VBS and he is a crew assistant. Thank you Tyler for all of your hard work! ~ Sara B

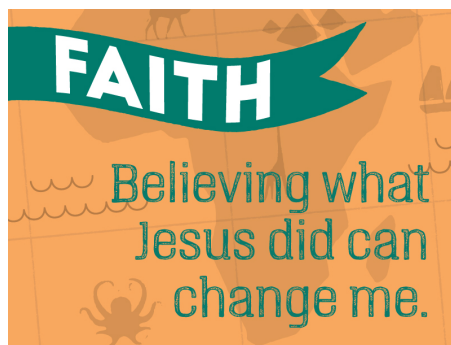

**FAMILY STUFF** is **THIS SUNDAY at 11:00am** in the Lower Level for all kids Kindergarten through 5th Grade & their parents!

Summer is one of those times of the year, when you hope to escape your normal

day-to-day and head off on a family vacation. Perhaps you have a passport and hope to fill it with stamps and visas from around the world or maybe you keep albums filled with photos from the places you've seen and the people you've met along the way.

But when you think about it, these aren't just passport stamps and travel photos, they are stories capturing moments we lived. As we travel the world and experience the different landscapes and cultures, often we can't help but notice that no matter where in the world we are, God is already there and up to something amazing.

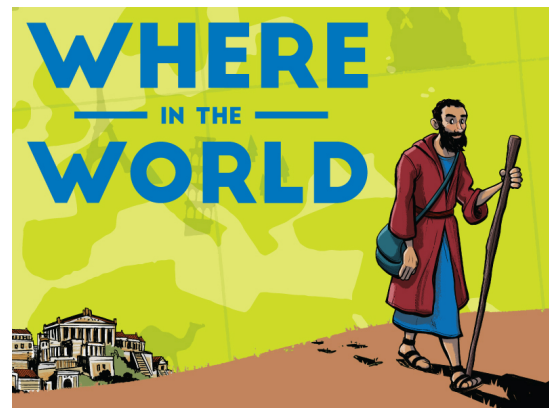

The prophet Isaiah writes, "The whole earth is filled with God's glory." And that glory was made real when 2,000-some years ago a REAL human was born, lived a perfect life, died, and rose again. Of course, that man is Jesus. And throughout the past 2,000 years since, His story-His LIFE-has been changing the world.

This summer we're excited for kids to experiencing that life-changing story of Jesus first and put their faith in Him.

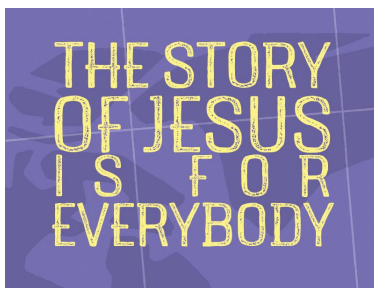

We'll talk about faith like this: **Believing that what Jesus did can change me.** Our hope is that kids discover that no matter where they are in the world, the story of Jesus can change them too.

This summer, we get to view the story of Jesus through a man whose life was radically changed when we encountered the story of Jesus. He went from a person who did whatever it took to stop the message of Jesus from spreading to one who ended up writing most of the New Testament of the Bible and dying for his faith in Jesus. This man, as you may have already guessed, is Paul. He went all over the known world preaching the Story of Jesus. We'll explore where in the world Paul was and how we fit into his story too.

This week, we continue our look at Paul's journey in [Acts 15:1-35](#) with an important meeting that happened in Jerusalem. Paul and the rest of the disciples were arguing about if people who weren't Jewish had to become Jewish in order to follow Jesus. At the end, they decide that the story of Jesus is for everyone. Nothing should stand in the way of people coming to faith in Jesus.

**Bottom Line:** **The story of Jesus is for everybody.** It doesn't matter who you are, what you've done, or where you're from. God's gift of salvation, through Jesus, is for everyone. When kids start understanding this, we hope that it inspires them to help ALL their friends find out more about Jesus.

Our Memory Verse  
is Ephesians 2:8.  
*"God's grace has  
saved you because  
of your faith in  
Christ. Your*

For it is by grace you have  
been saved, through faith—  
and this is not from  
yourselves, it is  
the gift of God.

**EPHESIANS 2:8. NIV**

*salvation doesn't come from anything you  
do. It is God's gift."* We can't earn God's grace. And while it cost God His own  
Son, it costs us nothing. It's God's gift!
