

## News from KCC

May 30, 2018

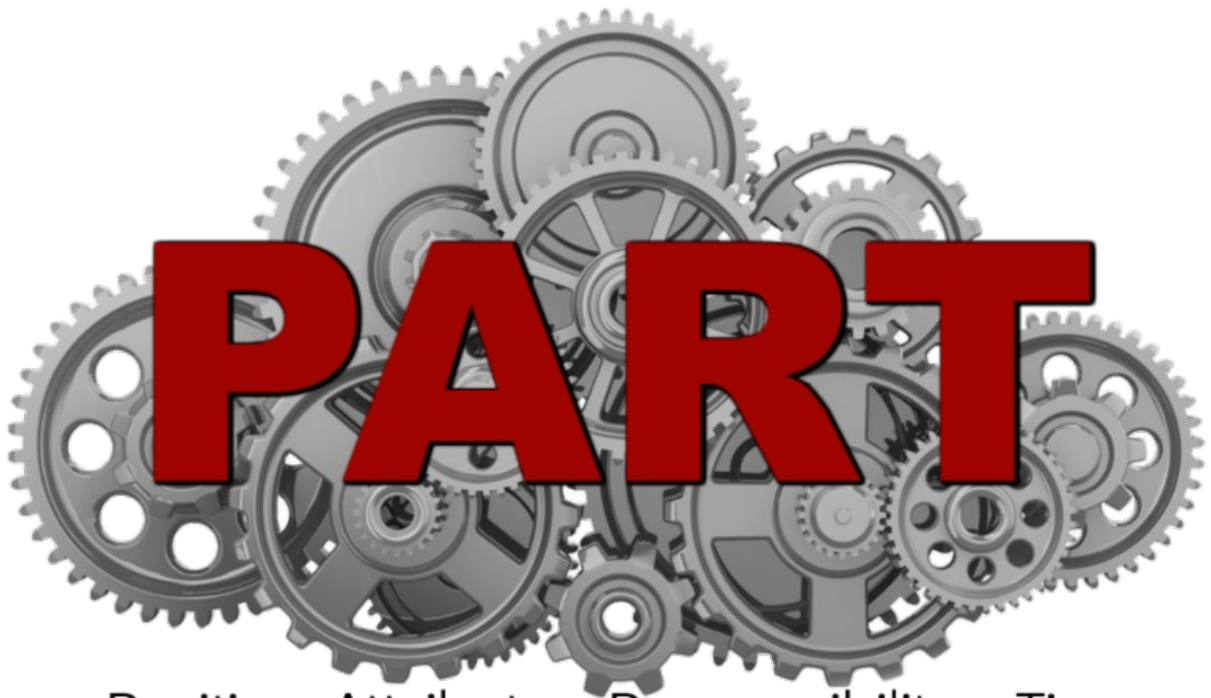

### **This Sunday at KCC!**

I trust everyone had an enjoyable Memorial Day weekend. I would like to say "Thank you" to all who served or are serving in the military. I thank God for my freedom to worship Him and worship with you. And I thank Him for brave men and women who fought to defend that freedom for this country and for countries around the world. May we never take for granted the freedom we enjoy.

On Sunday we will continue with our series "Body Building," considering how to fuel this body God has given us. We discussed how we prepare the body and focus the body. Now we need to get it moving. See you Sunday! ~ Andy B.

VBS Donations are needed! Please see the Shipwrecked display in the Lobby. Take an item or two then bring them back to KCC. **Items are due back to KCC by Sunday, June 3rd.**

## Love is Vulnerable

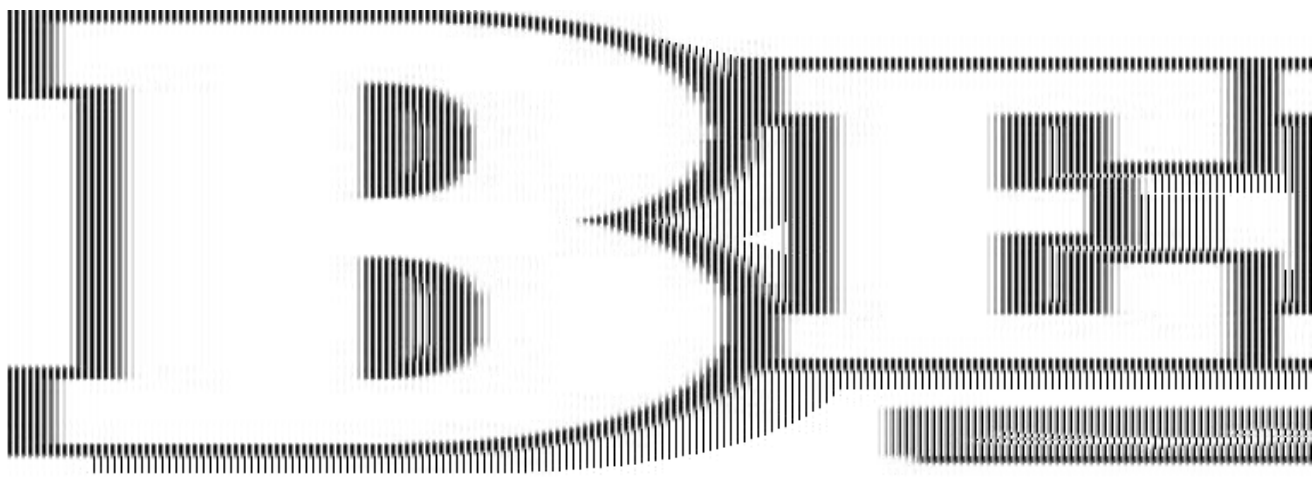

*By David Acker, Youth Minister*

Calling all kids Kindergarten - 5th grade!  
Join us **THIS SUNDAY at 11:00am** in the Lower Level for  
KCC's children's program - Kidmo's "Johnny Rogers"!

Here's what we'll learn this week in Kidmo!

## LEARN IT

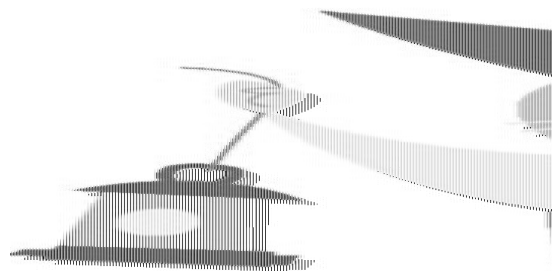

Our behavior reflects our heart.

## LOOK IT UP

Don't participate in the things these people do. For though your hearts were once full of darkness, now you are full of light from the Lord, and your behavior should show it! Ephesians 5:7-8

## LINK IT

If you have Jesus in your heart, your behavior should show it. It's like we've got dirt in our heart and we need to get clean. When Jesus comes into our life, he shovels out the dirt and gets us clean inside. The problem is, when we participate in certain activities, it's like we're throwing dirt back in our heart.

## COMPASS POINT

"Behave"

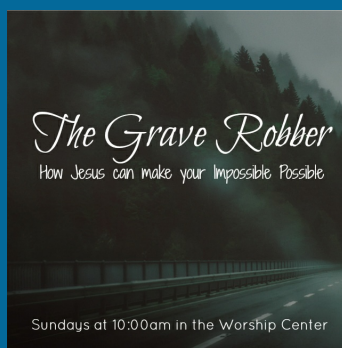

## LIVE IT OUT

When Jesus comes into our life, he fills our life with His light. We need to pursue the kinds of things Jesus would want us to fill our life with.

## MEMORY MAX

Ephesians 5:7 - "Don't participate in the things these people do."

**Faith Training Classes available THIS Sunday, June 3rd!**

**THE GRAVE ROBBER** - This study reveals the incredible power of the seven miraculous signs of Jesus found in the Gospel of John. Author Mark Batterson shows how they were not simply something Jesus did in the past, but something he wants to do now, in the present. He shares true stories of people today who are experiencing miracles in their lives. And he brings to light countless miracles, big and small, that we take for granted every day that point us toward the One who healed the sick, calmed the storm, and yes, even raised the dead. Meets in the Worship Center at 10am.

**JESUS IS \_\_\_\_\_**. - How would you finish that sentence? Your answer could shed light on the path to becoming who you were made to be. In this study, Author Judah Smith fills out that sentence again and again, each time further revealing the character of Jesus. This is a book for new believers, for lifelong followers, and for the merely curious. Judah Smith shows us the Jesus that somber paintings and hymns fail to capture. With passion, humor, and conviction, he shows that Jesus is life. Jesus is grace. Jesus is your friend. Jesus is a new and better way to be human. Meets in the Faith Cafe' at 10am.

**THE FIVE LOVE LANGUAGES** - Between busy schedules and long days, expressing love can fall by the wayside. We forget to compliment, to give gifts "just because," to linger in our embrace. The things that say "I love you" seem to either not get said or not get through. This is a book about saying it-and hearing it-clearly. No gimmicks. No psychoanalyzing. Just learning to express love in your spouse's language. Applying it will forever change your relationship. Meets in the Green Room at 10am.

**LOVE & RESPECT** - Dr. Emerson Eggerichs' book, *Love & Respect: The Love She Most Desires, the Respect He Desperately Needs*, is based on the biblical passage from Ephesians 5:33. His premise is that communication between a husband and wife is often frustrated because of the vastly different ways in which men and women perceive love. Women are wired to need unconditional love and men need to feel unconditionally respected. This class is for all 18-30 year old & meets in Classroom #4 at 10am.

**SINGLE AGAIN** - What do we do now?!" How do I get through the holidays? How do I move on? How do I keep it all together when life around me has fallen apart? This class will help answer those questions & others, all while supporting you & knowing you aren't alone. Meets at 10am in the Conference Room.
