## This Sunday at KCC!

We started a new series Sunday called, "Milestones." Over the course of the series we will look at 7 great milestones throughout history that have molded us as Christians as well as our culture. Tim kicked it off with Creation. I know there are some beautiful places in our country and in our world. However, you don't have to go far to see the beauty of God's creation. Northern Michigan provides a wonderful snapshot of God's glory. Take a walk this week and be amazed at our Creator God! See you Sunday. ~ Andy B.

## Arm Rest

*By Sara Blasko, Children's Ministry Director*

When my boys were in 4th and 5th grades I remember that they were the perfect height. Well...the perfect height for me! I remember this because I just happened to break my toe that year and using crutches hurt! But I realized that if I used my boys shoulders it was perfect. The boys helped me a lot that summer. I told them not to worry and that soon enough they could use my as an arm rest. That day came a little sooner than I had a wanted and I'm afraid that I will be an arm rest for the rest of my life.

In my Christian walk there have been many times where I needed an "arm rest" and many times where I could be an arm rest for someone else.

Growing up I would always want to invite friends over and my parents would tell me that I should play with my sisters. My dad would always tell us about Ecclesiastes 4:12 "A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken."

I was recently talking to a friend about this verse and she said that is what she named a group text with her and two of her

Christian sisters. It is so important to have good friends to rely on when times are tough and you need guidance or encouragement.

Sometimes you can be the arm rest and sometimes you can rest your arms. I know there will never be another day where I can use my boys shoulders for an arm rest, but I know that there are always strong Christians that are there for me when I need them. Surround yourself with people that encourage you and build you up! Praying for you all this week!

**Calling all kids Kindergarten - 5th grade!**

Join us **THIS SUNDAY at 11:00am** in the Lower Level for KCC's children's program - Kidmo's "Johnny Rogers"!

Here's what we'll learn this week in Kidmo!

**THEME:** Follow God's Direction for your life.

### LEARN IT

God always knows what He is doing so you can follow His direction for your life, even if it seems confusing. Peter followed God's direction for his life even if it was a bit scary.

### LOOK IT UP

**Acts 12:1-19**

### LINK IT

Following God's direction can be tough but we can trust God so we need to follow His direction. There are millions of Christians who suffer around the world for Jesus. They are willing to follow God's direction even if it costs them their lives.

Pray for Christians in the following countries: China, India, Iraq, Pakistan, Tibet, Egypt, & Somalia.

## COMPASS POINT

"God's direction is life protection."

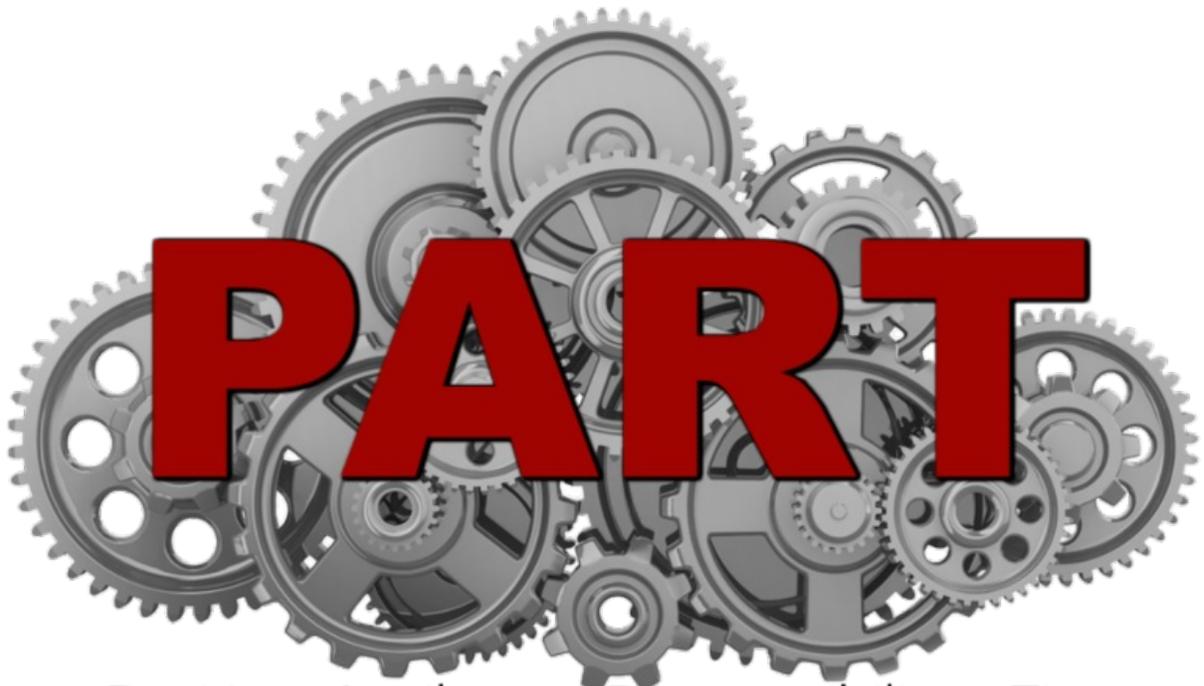

## LIVE IT OUT

God gives us direction for our lives in a couple of different ways. He has given us the Bible. He gives us direction through answered prayer and some- times we even get direction from God when we are here at church.

God has a direction for your life and even if it seems scary, He knows what He's doing and we can trust Him.

## MEMORY MAX

"Show me the path where I should walk, O LORD; point out the right road for me to follow." -Psalm 25:4

Position. Attributes. Responsibilites. Time.
